

ERPNext Conference 2019

Next Generation Enterprise

October 15 - 18, Mumbai

Sponsor & Exhibitor Prospectus

ERPNext Conference

- ERPNext Conference serves as a venue for discussing the dynamic challenges, new approaches, and best practices around the product.
- Expect world class keynotes from community developers, users and service providers highlighting their experiences with ERPNext.
- 2019 has been an exciting year for ERPNext! Just as the product approaches to be **enterprise** ready, the annual conference offers a sneak peek of the path we're on.

ERPNext Conference 2019

- This year is primarily focused on the growing importance of collaborative learning and how it can be leveraged to reap unprecedented growth.
- The Conference & Expo serve as a venue for your company to demonstrate their dedication towards open-source and collaborate with the worldwide community.

ERPNext Conference 2019

- The sponsorship and exhibit opportunities not only provide excellent branding for your company but also a platform to share your insights and showcase your commitment towards a unified goal: ERP for everybody.
- A valuable business development opportunity to engage with the core team of ERPNext, and hundreds of professionals from the community.

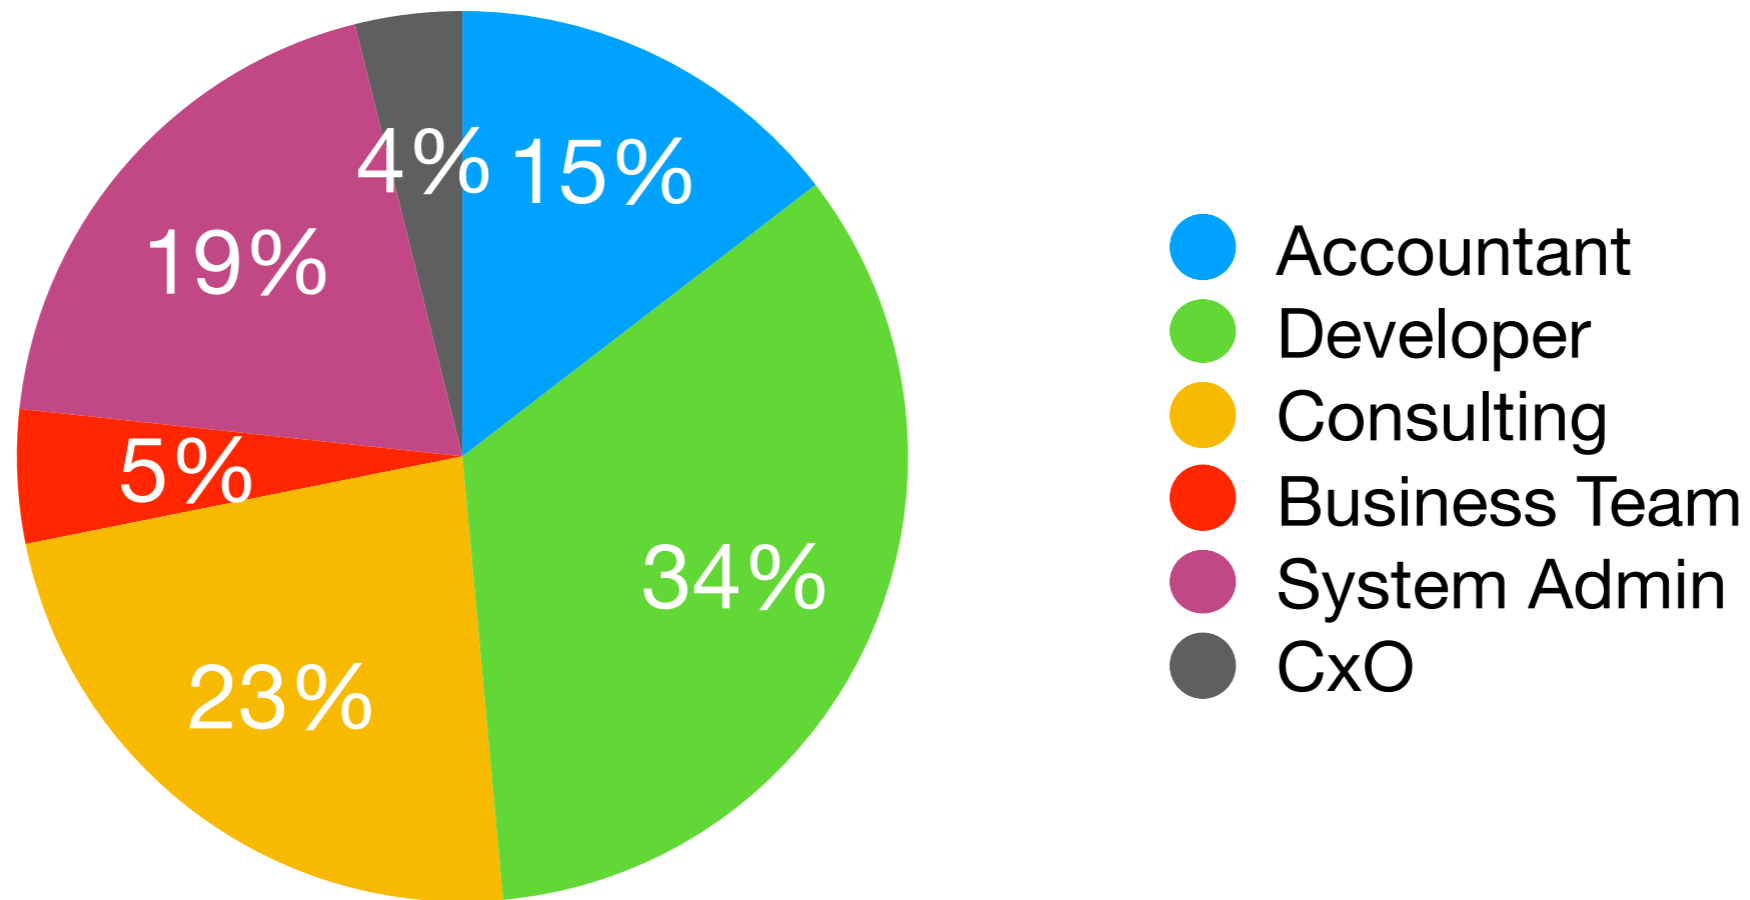

Why exhibit or sponsor?

- Gain **brand visibility** among the community
- Ideal opportunity for **exposure** to your offerings
- **Expand** your professional network
- Affirm your organization's **commitment** to open-source
- **Raise** your profile as an ERPNext industry leader
